

Registering for an Online Permitting & Licensing Account

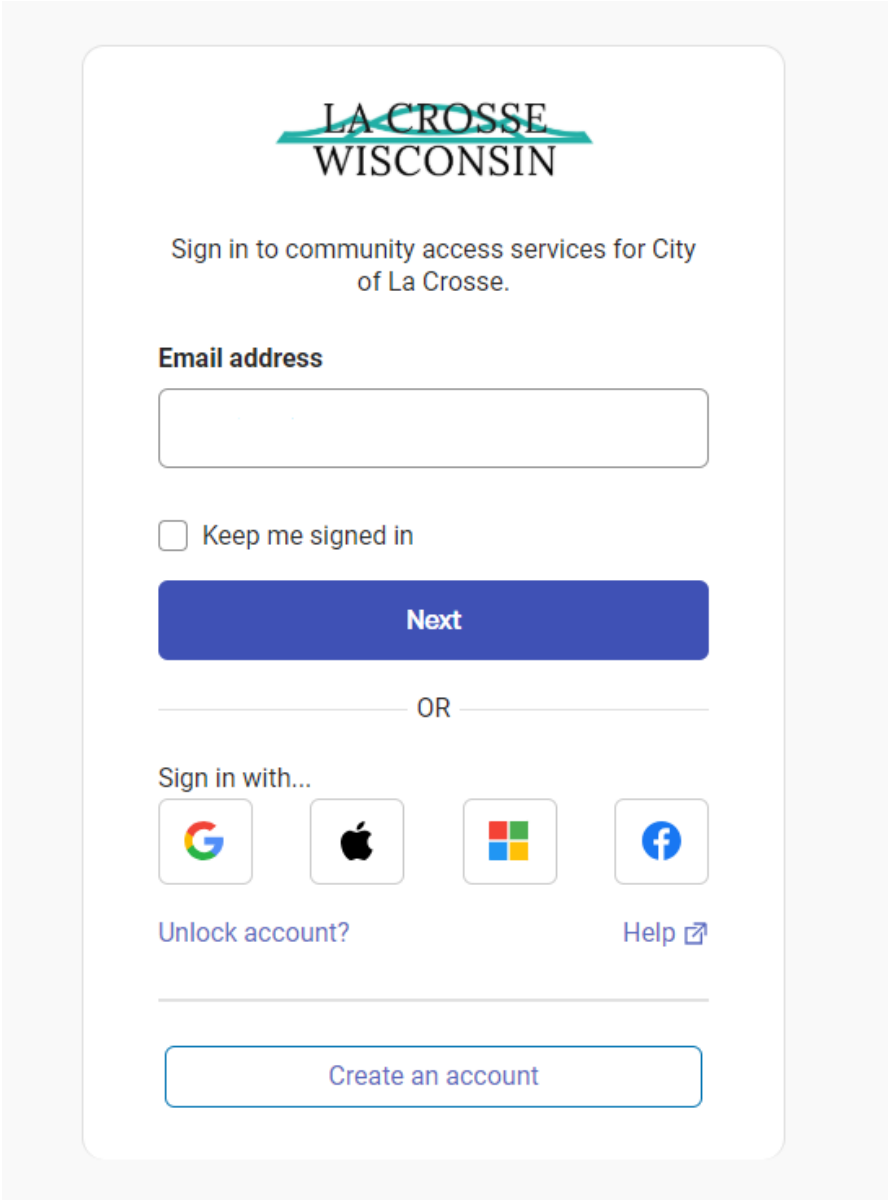

Access the Online Permitting & Licensing portal at: <https://www.cityoflacrosse.org/eg-self-service>

- 1. Click Login or Register

- 2. Click on "Create an account" at the bottom of the page.

Alternatively, you can select one of the social log in options to set up your account, but note that if you set up your account with a social log in (Google, Facebook, etc.) you will need to use that **same log in method** each time you access your account in the future.

3. If you did not use a social log in option, you will receive a verification code in your email to confirm your account. Enter the verification code and click "Verify."

The verification code email will come from "Community Access Identity" (noreply@identity.tylerportico.com). If you can't find the email in your inbox, check your junk/spam folders.
