Install a Bench

1. Select a Bench Location

Indicate the park and location where you would prefer the bench to be installed. We will work with you to honor your request and our department may offer additional site recommendations. Locations that do not have cement to fasten to will require a cement pad to be purchased.

2. Determine Plaque Wording

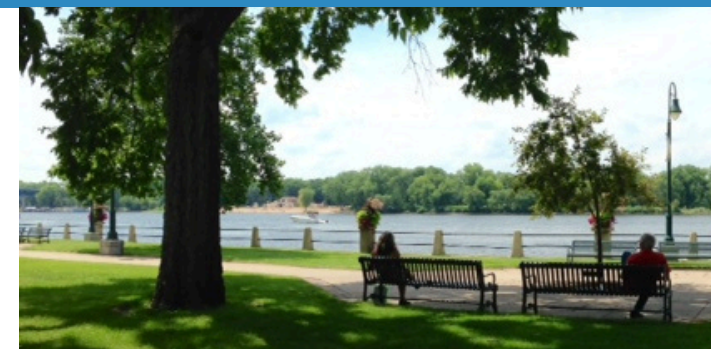

An engraved plaque is included with the purchase of your bench. Your approval is required prior to etching. No logos.

3. Complete the Application.

Submit an application with payment to the Parks, Recreation & Forestry Department. Payment includes the bench, delivery, plaque, and installation.

4. Bench Installation

Memorial benches are one of a kind and can take up to six months to order and install.

The La Crosse Parks, Recreation and Forestry's Memorial Bench Program allows individuals, families, organizations, or businesses to commemorate special events, honor individuals or as memorials to loved ones.

Benches are made of durable cast steel providing a lasting tribute to be enjoyed by the community for years to come.

For Riverside Park bench requests please contact Friends of Riverside Park Foundation - 608-397-3336

Plant a Tree

The La Crosse Parks, Recreation and Forestry's Memorial Tree Program offers an opportunity for individuals, families, or businesses to honor friends, relatives or milestones. In addition to commemorating your loved one, the purchase of a memorial tree offers a valuable contribution to the community's green spaces.

1.) Select a Tree and Location

Trees are purchased between 1.5" and 3" in diameter. Tree selections are listed to the right. Trees can be planted in most irrigated parks.*

2.) Determine Plaque Wording

A commemorative engraved plaque can be added for an additional \$400. The department will review and help determine the appropriate wording for the plaque. Your approval is required prior to etching. No logos.

3. Complete the Application

Submit an application with payment to the Parks, Recreation & Forestry Department. Tree payment includes the tree, delivery, and installation. Memorial tree applications can be accepted at any time however, tree plantings occur only in the Spring and Fall of each year. Submit your form early to ensure tree availability.

4.) Tree & Plaque Installation

Trees are not guaranteed beyond the first year and plaques are not replaced if damaged or stolen. Trees and plaques are only installed in the Spring and Fall. Scheduling is dependent on contractor availability.

**We are not accepting additional trees for Riverside Park at this time.*

The City of La Crosse's Memorial Tree and Bench Program offers residents a heartfelt way to honor and remember loved ones by contributing to the community's natural and recreational spaces. Participants can donate a tree or bench to be placed in one of the city's beautiful parks or along scenic trails. Each tree or bench is accompanied by a personalized plaque, creating a lasting tribute that also enhances the environment and public enjoyment. This program not only commemorates individuals but also fosters a sense of community and continuity, enriching La Crosse's green spaces for future generations.
