LAND DISTURBANCE

Do I need a land disturbance permit?

Yes. For sites that disturb more than 4,000 square feet, 300 linear feet and/or fill 400 cubic yards. Along with any site that disturbs more than 2,000 greater than 20% slope to 30% slope.

Data Requirements:

- Completed and signed Application for Land Disturbance permit.
- Two (2) sets of plans: A set includes a top or "plan view" looking down on your project showing the type and location of erosion control measures.
- Two (2) copies of a survey or accurate land drawing showing your proposed or existing structure and location of proposed parking lot with measurements to property lines.

If you would like to submit the application electronically, please upload the forms and email them to inspection@cityoflacrosse.org

How long does it take to get my permit?

Permits are reviewed on a first come, first serve basis. Inspectors are allowed 10 business days to complete. They may take longer depending on circumstances. For an additional cost you can EXPEDITE your application, moving it to the forefront.

How much does a permit cost?

Building Permit Fees can be found on the City website at this link:
